Dear Sherry and Tom,

Please transfer all Drake Engineering patent prosecution matters that are currently handled by Cooley Godward Kronish to the Neugeboren Law Firm.

In addition to transferring hard copies, please copy and send on a CD to the Neugeboren Law Firm, electronic copies of the patent applications in Word format and any Visio drawings for each of the applications prepared by Cooley Godward.

Also, we would appreciate a copy of a recent docket report showing the most important information about each case (serial number, confirmation number, filing date, inventors, etc.) and any due dates within the next 3 months.

Finally, Cooley is authorized by Drake Engineering to send soft or hard copies of patent prosecution related documents that Sean O'Dowd and Craig Neugeboren may from time to time request in our ongoing patent prosecution efforts.

Thanks, and here is the address and contact information for the Neugeboren Law Firm:
